Collection of Information

Title: Manufactured Housing Operations Forms.

Type of Information Collection: Revision of a currently approved information collection.

OMB Number: 1660-0030.

FEMA Forms: FEMA Form 010-0-09, Request for the Site Inspection; FEMA Form 010-0-10, Landowner's Authorization Ingress-Egress Agreement; FEMA Form 009-0-138, Manufactured Housing Unit Inspection Report; FEMA Form 009-0-136, Unit Installation Work Order; FEMA Form 009-0-130, Maintenance Work Order.

Abstract: FEMA's temporary housing assistance provides temporary housing to eligible survivors of federally declared disasters. This information is required to determine whether the infrastructure of the site supports the installation of a temporary housing unit. This collection also obtains permission to place the unit on the property. The property owner certifies that they will not have a lien placed against the unit for their own debts, thus ensuring they will maintain the property so that FEMA can remove the unit when required.
